In the 55th year of our Charter it is my pleasure and privilege to present to you the current members of Scarborough Round Table '88'.

May I extend to you all on behalf of our current and past members of Scarborough Round Table '88' a heart felt welcome and I hope that you will have as enjoyable a visit to our town in September 1990 as we all did in Aalten 2½ years ago.

## CURRENT MEMBERS ROUND TABLE 88

### SEPTEMBER 1990

**RICHARD APPLETON**

I live at 16 High Street, Scalby and was born in December, 1951. I live opposite the pub in Scalby village with my dog Jester. I do not have a wife, as I have observed that dogs tend to be more loyal and also they do not live as long. Our social life revolves around food, beer and sex. I am a fat drunk and the dog has gone blind. I am hoping to change roles with the dog sometime in the future, but will stop as soon as I need glasses.

For a living I am a Fuel Distributor (Calor Liquid Petroleum Gas) but that is not very interesting. My other hobbies are fishing, sailing, shooting and skiing. I have been to Holland a few times before and know many of Aalten 41 Club.

**IAN BURNETT**

I am 33 years old and I am a farmer. I farm Foulseyke Farm, Scalby which is a mixed farm and my wife, Suzanne, and I have two children with one more on the way!

I joined Round Table about 5 years ago and have previously been the Entertainments Chairman.

**ANDY ATKINS**

I am 27 years old and live at 15 Scardale Crescent with my wife Wendy. I have not belonged to Round Table long and I am the present Sports Officer. I work for a local office equipment company and have been the sales manager for the last 8 years.

My wife, Wendy, works for a bank and we have been married 2 years with no children – as yet!

**CHRIS CLARK**

I am 36 years old and I have been in Table for 8 years. I am in constant danger of being asked to leave because of poor attendance. This is not because I am not interested, but because I am often away from Scarborough on meeting nights, enjoying myself. I am nearly 37 and I am married to Penny who is a retired French teacher. I think she is younger than I am. We have three children, Nicholas 11, Victoria 10 and Jonathan 6.

I am a Pig farmer producing about 500 pigs per week, we also produce animal feed for sale to other pig farmers. We specialise in producing feed containing unusual ingredients, and have recently purchased 6 million Cadbury's Cream Filled Eggs which the pigs are enjoying.

We live in a modern house to the north of Scarborough which has a large garden. I am told that mowing the lawn is my only hobby or obsession.

We take most of our summer holidays in France, often camping. We took up skiing some 3 years ago, and whilst we are enthusiastic, we are useless at it.

**STUART BAINES**

Melanie, my wife, and I live at 17 Scardale Crescent, Scarborough and unlike many other Tablers I am a born and bred Scarboroughian. I am an estate agent for my living and Melanie is a teacher who comes from Malton.

Against my hobbies I include walking, bird watching and keep fit, and Melanie is also a keen sports woman.

**IAN COCKER**

I am a solicitor in private practice in Scarborough and I am aged about 37. My wife is called Janet and we have two children, Michael aged 3 and Rachel aged 1. We live at Throxenby Lane, Newby, Scarborough.

At present I am the Fellowship Chairman of Round Table and I am responsible for organising our fortnightly meetings. I am a keen golfer and both Janet and I are involved in amateur operatics and a dramatic society.

I have been in Table for about 6 years.

**DAVE DUGGLEBY**

Vice-Chairman is my role this year and I take office as the new Chairman in April, 1991. I am married to Jane with two children Penny 7 and William 5. We live in West Ayton a village about 5 miles from Scarborough. I am Round Table's local fine art auctioneer, specialising in selling old beds, pots, pans and occasional Picasso floating around Scarborough. I tried unsuccessfully to do away with my wife on our last visit to Holland, finding the only Dutch hill on the bike ride.

I have been the Chairman of our Aalten 1990 committee and would be pleased to take all the credit for the arrangements for the weekend – but should there be any complaints these should be addressed to the Chairman.

I think I am about 36 in age.

**IAN BRABBS**

I live at 115 Stepney Road, Scarborough and was born in 1954. My wife is called Sylvia and she and I have a son called Thomas, aged 3.

I originally come from the town of York, but have lived in Scarborough for the last 12 years. I am a solicitor and I have been a member of Round Table since 1983.

I am the present Secretary of Round Table.

**STEVE BROWN**

I am 31 years old and my wife's name is Janice. I live at White Gates, 146 Stepney Road, Scarborough and I am an Optician for a living. My family consists of one small wife, two small children and a large dog. My interests include raising large glasses of beer with my right hand and my ambitions include raising large glasses of beer with both hands.

**BARRY DENTON**

I am an honorary member of Scarborough Round Table, having attained the nasty age of 40 before our last A.G.M. I enjoyed 9 years in Table and I am a past Chairman, Past Area Executive and Past Table Magazine National Prize winner.

My wife, Belinda and I attended Round Table conventions in Hong Kong, India, South Africa, U.S.S.R. and Denmark and we visited Aalten in 1983 and 1988. Maarten and Yola Van Der Horst stayed with us in 1985. Each year Belinda and I host Tablers in our home from many parts of the world.

Belinda and I are partners in our own architectural practice and our hobbies are travel, adventure, art, culture, skiing, cars, photography and Round Table.

**PETER CALOW**

I joined Round Table in 1987 and I have about 7 more years in the organisation. I am a Veterinary Surgeon and live at 37 Barmoor Lane, Scalby. I have lived in Scarborough for the last 8 years with my wife Vicki and we have two mischievous small boys aged 3 and 1.

**TOM CATHCART**

I am the Chairman of Scarborough Round Table this year and live at 3 West Avenue, Scalby with my wife Jessica and our three children, Abigail 10, Timothy 8, and Caroline 5. I am a solicitor and have been in Round Table since 1982.

After the European 8's meeting in Sweden in June this year which I attended, my hobbies now include frequent Saunas and I am also a keen yacht and catamaran sailor.

**GRAHAM FOULDS**

I was born in 1953 and live at 152 Scalby Road, Scarborough with my girlfriend, Angeline James.

I have a 7 year old son called Zakery and my hobbies include windsurfing, badminton, squash and five-a-side football. Angeline's hobbies include aerobics, driving, gardening, buying clothes and spending my money.

I own a number of companies which sell and lease business equipment to various businesses in Scarborough and elsewhere.

**RICHARD FRANK**

I was born in 1957 and my wife is called Kathryn. I am a publican by trade and I live at The Pinnacle, Weaponness Drive, Scarborough. My pub is called "The Cask Inn" which Kathryn and I run.

We have been married for 8 years and have two children named, Charlotte aged 6 and Harriot aged 4. We also have a dog called Ludvic who is aged 13 and a striped cat called Spot aged 3.

My hobbies include drinking lots of beer, windsurfing, golf, squash, tennis, swimming, cycling and caravanning. I also regard keeping my marriage interesting as a hobby.

**ROBIN GRAY**

Like a number of my fellow Tablers I am a farmer. My wife Joanne and I live and work on Lingholme Farm, which is about 5 miles south of Scarborough. I grow potatoes and cereal, and have visited Holland on a number of occasions in connection with the potato trade. We have one child and I am a doting father.

I am 29 years of age and have been in the Table for 5 years.

**EDDIE GREGORY**

Having been born in September, 1950 this is my last year in Round Table. I have been in Table for about 4 years and I am married to Rosalind where we live at 6 Barcleycroft, Filey Road, Scarborough.

We have a 3 year old son called Stuart and a Cocker Spaniel called Musty. I am employed locally by an engineering firm as a technical manager.

I am the Area representative for our Table, but when I am not Tabling I can usually be found on the golf course (or in the bar – according to my wife).

My visit to Aalten 2½ years ago was very enjoyable and I am looking forward to renewing old friendships and making our visitors stay in Scarborough a very happy one.

**ERIC JAGGER**

My wife, Christine and I live at 2 Hamilton Close, Scalby and I was born in 1953.

Before moving to Scarborough in 1989, we lived in London and I joined Round Table in January 1990. We have two sons Mark aged 4 and Scott 8 weeks old. I work as a marketing manager with McCains Foods and our hobbies are home, children and friends. I am especially keen on car and motor racing, and Christine is fond of cooking and taking holidays!

**IAN RHODES**

I am genuine Scarborian having been born in Scarborough and I am not telling anybody how old I am. (in fact he is 32—Ed.) I live at 69 Seafeld Avenue, Osgodby which is just south of Scarborough and I am presently unmarried and hoping to remain so.

I have worked at my family's printing and publishing company since 1975 during which time I have progressed from tea boy and part time stapling operator through to joint managing director. I am divorced and have a 4 year old daughter called Hannah. I have been a member of Round Table for nearly 3 years and last year was Information Officer. As such I published a bi-monthly highly scandalous yet topical Newsletter and as a result I am now shunned by all other members of Table!

My pastimes include reading, walking and foreign travel. I am a keep fit fanatic, a dab hand at snooker and have a keen eye for "the girls" (what does he mean?)

**ANDREW PINDAR**

I live at Barn House, Southend, Burniston just north of Scarborough with my wife Caroline and was born in 1957.

We have been married for 4 years with no children, but we have a cat called 'Claude' which is named after the famous French lion tamer – Claude Balls. I have been a member of Scarborough '88' for about 8 years and I am a printer in the family company. I am the fourth generation of the Pindars, and my father Tom Pindar was one of Scarborough Round Tablers who attended in Aalten in 1963 and who helped to forge the first links with Aalten '88'.

I am 33 years old and my wife, Caroline is a Civil Engineer by profession. She is also much younger and better looking than I, and by common consensus she married beneath herself.

In Table I have strong interest in International Tabling and I am the only current member of any European '88' Club to have attended all numbers meetings held so far.

**RICHARD LUMBY**

My wife, Margaret and I live at 32 North Street, Scalby and we have two sons, Nick aged 10 and Tom aged 6. I work for Pindar and my friends tell me that I also have a part time job as a barbecue demonstrator. I travel extensively abroad on business to France, Spain and America, and I am looking forward to retiring.

**SIMON WARD**

I am the immediate Past Chairman of Scarborough Round Table and this is my final year, having been born in 1950.

My wife is called Sue and she and I have three children, Katy aged 5, Sarah aged 3 and Richard about 2. We live with our large dog 'Tobby' at the edge of Scalby village in a house called Hay Lane House, Hay Lane, Scalby and we have lived in Scarborough for more than 6 years, having moved from London.

I am a chartered surveyor and town planner and run my own small business from an office just 2 minutes from home.

I have been in Scarborough Round Table '88' for over five years and held a variety of Council posts, as well as being Past Chairman.

Being within striking distance of the Moors National Park and the splendid coastal area, we all enjoy walking in the countryside and I am keen on bird watching.

**DAVID MCINTOSH**

Unlike most of my fellow members of Table I do not live in Scarborough or Scalby, but in Filey at 14 Thorntree Avenue. I was born in 1956 and my wife is called Marie.

We have two children aged 2 and 5 and I am a chartered accountant working as a financial director of a group of plastic manufacturing companies in Scarborough. Marie was a teacher until leaving work to bring up the children and we have lived in the area for 2 years.

**RICHARD POOR**

My wife, Sue and I live at 7 The Copse, Scarborough and I was born in 1963. I work for a retail jewellery company and my wife works in banking. I have been the Area Chairman of our Table and my interests include all sports, all holidays, classic cars and Round Table. I am currently restoring a 1959 M.G.A.

I joined Round Table 3 years ago.

**NICK TAYLOR**

My wife, Lindsey and I live at 17 Raincliffe Avenue, Scarborough and I was born in 1956 in Bolton, Lancashire. Having to live in Yorkshire is a bit of a blow for a Lancastrian.

After leaving school at 18 I went to sea for 2 years with both the Royal Navy and the Merchant Navy. I also worked as a boatswain aboard a sail training yacht.

I then went to college to study hotel management and that is what I do now, where I am the manager of the Crown Hotel, The Esplanade, Scarborough.

Lindsey and I have lived in Scarborough for 4 years and we have two daughters Lucy aged 5, and Alice aged 1.

I enjoy sailing, squash and changing nappies.

**TONY RICHARDSON**

Born in 1952. I now live at 58 Gladstone Street, Scarborough and have a very nice girlfriend called Anne.

I am currently working as sales co-ordinator for a local company, Swifts of Scarborough who are manufacturers of cable support systems. I have lived in Scarborough for 10 years and have belonged to Round Table for 4 of those, and as such visited Aalten 2½ years ago. Current interests include squash and trying to get fit, and I have also been to Denmark to the European 8's Meeting held there a number of years ago.

**RICHARD ROBSON**

I live at 6 Annandale Grove, Scalby with my wife, Susan and I was born in 1952. I have two children, Kate aged 5 and Mark aged 3, and moved to Scarborough in 1987. Like most bankers I am keen on golf and I also enjoy gardening, and my wife enjoys spending my money and holidays!

### **CHRIS TATE**

I joined Round Table about 6 years ago and visited Aalten for the first time in 1988. I was born in 1955 and I am an accountant by profession.

I have lived in 12 different towns in England, Scotland, Wales and Malta, and came to Scarborough in 1981. Hobbies include windsurfing, computers and inventing apologies for non-attendance at Table meetings.

### **NIGEL SHEPPARD**

I was born in 1954 and my wife Marion and I live at 34 Throxenby Lane, Newby.

A relative newcomer to Round Table, we have lived in Scarborough for 4 years, having moved from the south of England. I work as a planning manager at Plaxtons, a major builder of luxury coaches, and Marion is a primary school teacher. We have two children, Thomas aged 8 and Laura aged 6.

We are keen newcomers to the game of golf, enjoy playing bridge and like likes good food, wine and conversation. We have been active in forging twinning links between the local community and Pornic, a small french town. It is still my ambition to run the London marathon.

### **JOHN WHITE**

Nobody knows how old I am and I am not telling anybody, because I want to stay in Table till I am fifty. This is only if I am not thrown out for low attendance in the meantime.

My wife is called Janet and we have two children, a little girl aged 9 and a son aged 11 months.

We live at 8 East Avenue, Scalby and I am a director of the local printing company Pindar Graphics. I travel extensively abroad on business and thoroughly enjoy European lager. I am very keen on European Tabling, and have been to two European 8's meetings so far.

### **ROGER WILLIAMS**

I am a child Psychiatrist aged 39 and my wife Maggie and I have three children, two boys and a girl.

I live at 15 Stepney Road, Scarborough and look forward to seeing you all when you come to Scarborough.
